Setting Up Your SchoolCafé Account

Students

Welcome to the all-new SchoolCafé! Get ready to connect with your cafeteria like never before. Follow these simple instructions in order to begin setting up your account and using the app.

Begin by visiting <u>http://www.schoolcafe.com</u>. You will be prompted to create a username and password. Once you've created your login information, you will be able to set up your account. On the sidebar, click My Account. You may then input your name, contact information, location and a security question. You may also change your username and password from this screen.

When you are ready to connect to your student account, click the blue 'Connect to my Cafeteria Account' button.
