Who was Kim Baysek- Young?

Kim Baysek-Young was a dedicated educator at Reserve Primary School for 22 years who passed away unexpectedly in September 2020. She was also an active member of the Reserve community and could always be found helping others. She dedicated her life to serving others and raising money for a variety of charities. Kim's greatest charity was the Reserve Caring Program which she helped raise thousands of dollars for throughout her years. Kim touched and influenced numerous lives within the Reserve/Shaler community and is truly missed.

Where is the money going to?

All proceeds minus expenses will go directly to the Kim Baysek -Young Caring Heart Scholarship. An annual scholarship will be awarded to a Shaler Area graduate(s) to honor Kim's name and life's work of educating others. Kim's passion was being an educator and what better way to honor her than helping others with some of their education expenses. Each year there will be two recipients of the Kim Baysek-Young Caring Heart Scholarship.
